

Terms and Conditions

One filter media and one UV light will be installed free of charge per 16 SEER Complete system or higher that is purchased. Blown insulation & Filter media with UV light are valued at \$1500 each. There is no limit to the sqft allowed for blown insulation. Cannot be combined with other offers. Filter media and UV Light shown are just examples of what will be installed if chosen by customer. Offer ends March 31, 2018. Multiple systems may be purchased, each purchase qualifies for either item. Either item is available for purchase individually, or with this offer. For example if Filter Media and UV Light is picked, customer is allowed to purchase a blown insulation session.
